DESCRIPTION

Looking for a home with more history than a textbook but ten times the style? Welcome to Sol y Luna. This isn't just an apartment in Tarragona; it's a front-row seat to the Mediterranean. If the Romans had interior designers this good, they'd still be running the show! The Kitchen: So stunning that even making toast feels like a gourmet experience. Rustic, cozy, and perfectly Mediterranean. Space for Everyone: From the dreamy master bedroom to the fun bunk beds for the kids. There's room for family, friends, and even that neighbor who "just happened to be in the area." Bath or Shower? Your Call: Feel like royalty in the clawfoot tub or grab a quick, stylish rinse in the gold-accented shower before hitting the beach. The Highlight: Enjoying your morning coffee with a direct view of the Roman Amphitheater. It's like living inside a postcard, but with better Wi-Fi. Ready to move in? Warning: once you see it, you won't want to leave!
